

THE FOTHERINGHAY TABLE

The fotheringhay table in oak | scrubbed (oiled)

DESCRIPTION

An architectural dining table inspired by the flying buttresses of Fotheringhay church.

Made to measure to ensure your fotheringhay table fits your space perfectly. The architectural vernacular of the fotheringhay table works well at scale, and is especially impressive with cruciform style trestles.

Our fotheringhay table is typically made in solid oak. Our lighter finishes give this impressive table a relaxed feel and our darker finishes provide a more dramatic silhouette.

The large and elegant corbels and supports will ensure the fotheringhay table will last many lifetimes.
